Dear Ms. Ginny,

In response to the USPTO action mailed on June 17, 2009;

I would like to provide

1. A list of unclear terms with their corresponding definition / meaning.
2. List of claim amendments
3. According to #1, I would like to change the title  
**"Eliminating myoglobin from blood using IV filter"**  
To be  
**"An Intravenous Device To Remove Myoglobin From Blood "**

Thank you for your cooperation
